Veterinary Medical Records Form

Owner’s Name:__________________________________________________

Dog: ___________________________ is a patient of yours and will be participating in our training and/or boarding program. Sit Means Sit needs confirmation that this pet is up to date on immunizations and is in good physical health to participate in a training program. Required Vaccinations include: Rabies, Parvo/Distemper and Bordatella (if the dog is old enough). ***Please also provide a copy of these records in addition to this form***.

_____ I confirm that the above animal is my patient and is current on all required vaccines. Furthermore, I believe this animal has no known health problems, chronic physical conditions or injuries which would prevent this pet from participating in a training and/or boarding program. Young dogs will be limited on exposure until all vaccines are given.

-OR-

_____ This animal needs a veterinary visit to update vaccinations, confirm the health and/or its current physical condition. This animal still needs the following vaccinations: ______________________________________________

OUR THANKS TO YOUR VETERINARY OFFICE AND STAFF! Sit Means Sit would like to thank you for your cooperation in our efforts to train healthy dogs and educate their owners about maintaining the highest standards of care for their dogs. If you or your staff should have any recommendations or comments, please call us directly at (254) 541-3343 or attach notes to this form.

______Please indicate here if your veterinary office or clinic is currently accepting new patients. We would be happy to be a referral source for you for clients who do not currently have a local veterinarian. If you would like to include a few business cards with this response we would be happy to recommend your office.

At Sit Means Sit, our staff of certified professional trainers is always available to answer your questions and provide demonstrations to you and your staff.

Thank you. We can be reached at (254) 541-3343 or CentralTexas@SitMeansSit.com
