Rules and Regulations

Sit Means Sit reserves the right to excuse any dog, at any time. Our number one concern is the safety of each of our guests. Sit Means Sit is also a training facility. At times, there will be dogs that are working on behavioral issues in the dog park area, to help overcome these issues. These dogs will be wearing a muzzle if needed, and a red neckband. Aggressive dogs are not permitted in the dog park area, unless they are enrolled in Sit Means Sit Dog Training.

Please do not bring your dog if it is exhibiting any of the following behaviors: coughing, excessive sneezing, runny eyes or nose, vomiting, diarrhea, or unusually lethargic. If a staff member notices any of these symptoms, the dog will be excused immediately.

Owners must stay with their dog(s) in the dog park.

All dogs must have collars and enter and exit the facility on a leash. For the safety of your dog(s) and other park visitors, choke, prong (pinch) and spike collars are prohibited.

Owners/custodians of a dog are responsible for the acts and conduct of their animal at all times when it is at the indoor dog park. Dog park users and dog owners assume all risks related to the use of the dog park. Sit Means Sit is not responsible for any harm that occurs to any dog(s) while playing at the park.

When entering or exiting the dog park, please do not enter any gated area. Staff will assist in entering the dog park.
